4 Covenants. Grantor covenants and agrees with Lender that, from and after the date of this Security Agreement until the Obligations are paid in full:

(a) From time to time, upon the written request of Lender, and at the sole expense of Grantor, Grantor will promptly and duly execute and deliver such further instruments and documents and take such further action as Lender may reasonably request for the purpose of obtaining or preserving the full benefits of this Security Agreement and of the rights and powers herein granted, including, without limitation, the filing of any financing or

continuation statements under the UCC in effect in any jurisdiction with respect to the liens created hereby. Grantor also hereby authorizes Lender to file any such financing or continuation statement without the signature of Grantor to the extent permitted by applicable law. A carbon, photographic or other reproduction of this Security Agreement shall be sufficient as a financing statement for filing in any jurisdiction.

(b) Grantor will not create, incur or permit to exist, will take all commercially reasonable actions to defend the Collateral against, and will take such other commercially reasonable action as is necessary to remove, any lien or claim on or to the Collateral, other than the liens created hereby, and other than as permitted pursuant to the Loan Agreement, and will take all commercially reasonable actions to defend the right, title and interest of Lender in and to any of the Collateral against the claims and demands of all persons whomsoever.

(c) Grantor will not sell, transfer, license or sub-license or otherwise dispose of any of the Collateral, or attempt, offer or contract to so do.

(d) Grantor will advise Lender promptly, in reasonable detail, at its address set forth in the Loan Agreement, (i) of any lien (other than liens created hereby or permitted under the Loan Agreement) on, or material claim asserted against, Collateral and (ii) of the occurrence of any other event which could reasonably be expected to have a material adverse effect on the aggregate value of the Collateral or on the liens created hereunder.

(e) (i) Grantor (either itself or through licensees) will, except with respect to any Trademark that Grantor shall reasonably determine is of immaterial economic value to it or otherwise reasonably determines not to so do, (A) continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (B) maintain as in the past the quality of products and services offered under such Trademark, (C) use reasonable efforts to employ such Trademark with the appropriate notice of registration, (D) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless within thirty (30) days after such use or adoption Lender, for its benefit, shall obtain a perfected security interest in such mark pursuant to this Security Agreement, and (E) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any Trademark may become invalidated.

(ii) Grantor will not, except with respect to any Patent that Grantor shall reasonably determine is of immaterial economic value to it or otherwise reasonably determine so to do, do any act, or omit to do any act, whereby any Patent may become abandoned or dedicated. Without the prior written consent of Lender, Grantor shall not abandon any right to file a patent application, or abandon any

pending patent application or patent if such abandonment would have a material adverse effect on the business of Grantor.

(iii) Grantor will promptly notify Lender if it knows, or has reason to know, that any application relating to any Patent or Trademark material to Grantor's business may become abandoned or dedicated, or of any adverse determination or material development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark office or any court or tribunal in any country) regarding Grantor's ownership of any Patent or Trademark, or its right to register the same or to keep and maintain the same.

(iv) Whenever Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for any Patent or for the registration of any Trademark with the United States Patent and Trademark Office, or any similar office or agency in any other country or any political subdivision thereof, Grantor shall report such filing to Lender within five (5) business days after the last day of the fiscal quarter in which such filing occurs. Upon request of Lender, Grantor shall execute and deliver any and all reasonably necessary agreements, instruments, documents, and papers as Lender may request to evidence Lender's security interest in any newly filed Patent or Trademark and the goodwill and general intangibles of Grantor relating thereto or represented thereby, and Grantor hereby constitutes Lender its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power being coupled with an interest is irrevocable until the Obligations are paid in full.

(v) Grantor, except with respect to any Patent or Trademark shall reasonably determine is of immaterial economic value to it or it otherwise reasonably determines not to so do, will take all reasonable and necessary steps, including, without limitation, in any proceedings before any tribunal, office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration or Patent) and to maintain each Patent and each registration of Trademarks, including, without limitation, filing of applications, applications for reissue, renewal or extensions, the payment of maintenance fees, participation in reexamination, opposition and infringement proceedings, and the filing of renewal applications, affidavits of use and affidavits of incontestability, when appropriate. Any expenses incurred in connection with such activities shall be paid by Grantor.

(vi) In the event Grantor knows or has reason to know that any Patent or Trademark included in the Collateral is infringed, misappropriated or diluted by a third party, Grantor shall promptly notify Lender after it learns thereof and shall, unless Grantor shall reasonably determine that such Patent or Trademark is of

immaterial economic value to Grantor which determination Grantor shall promptly report to Lender, promptly sue for infringement, misappropriation or dilution, or take such other actions as Grantor shall reasonably deem appropriate under the circumstances to protect such Patent or Trademark.

(vii) Grantor will furnish to Lender each year, on the anniversary date of the execution of this Agreement, statements, schedules and an inventory identifying and describing the Collateral, including without limitation, all Intellectual Property acquired subsequent to the date of this agreement and not identified on Schedule A, all transfers, assignments, licenses or sub-licenses of the Collateral by Grantor, and such other information in connection with the Collateral as Lender may reasonably request, all in reasonable detail. Any such Intellectual Property shall automatically become part of the Collateral.

Lender's Appointment as Attorney-in-Fact.

(a) Grantor hereby irrevocably constitutes and appoints Lender and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Grantor and in the name of Grantor or in its own name, from time to time after the occurrence, and during the continuation of, an Event of Default in Lender's discretion, for the purpose of carrying out the terms of this Security Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Security Agreement, and, without limiting the generality of the foregoing, Grantor hereby grants Lender the power and right, on behalf of Grantor without notice to or assent by Grantor, to do the following:

(i) at any time when any Event of Default shall have occurred and is continuing in the name of Grantor or its own name, or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under, or with respect to, any Collateral and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Lender for the purpose of collecting any and all such moneys due with respect to such Collateral whenever payable;

(ii) to pay or discharge taxes and liens levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Security Agreement and to pay all or part of the premiums therefor and the costs thereof; and

(iii) (A) to direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to Lender or as Lender shall direct, (B) to ask or demand for, collect, receive payment

of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral, (C) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral, (D) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral, (E) to defend any suit, action or proceeding brought against Grantor with respect to any Collateral, (F) to settle, compromise or adjust any suit, action or proceeding described in the preceding clause and, in connection therewith, to give such discharges or releases as Lender may deem appropriate, (G) to assign any Trademark (along with goodwill of the business to which such Trade mark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as Lender shall in its sole discretion determine, and (H) generally, to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Lender were the absolute owner thereof for all purposes, and to do, at Lender's option and Grantor's expense, at any time, or from time to time, all acts and things which Lender deems necessary to protect, preserve or realize upon the Collateral and the liens of Lender thereon and to effect the intent of this Security Agreement, all as fully and effectively as Grantor might do. Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

(b) Grantor also authorizes Lender, at any time and from time to time, to execute, in connection with the sale provided for in Section 8 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

(c) The powers conferred on Lender hereunder are solely to protect the interests of Lender in the Collateral and shall not impose any duty upon Lender to exercise any such powers. Lender shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its partners, officers, directors, employees or agents shall be responsible to Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct or failure to comply with mandatory provisions of applicable law.

6. Performance by Lender of Grantor's Obligations. If Grantor fails to perform or comply with any of its agreements contained herein and Lender, as provided for by the terms of this Security Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, then the expenses of Lender incurred in connection with such performance or compliance, together with interest thereon at the highest default rate provided in the Note, shall be payable by Grantor to Lender on demand and shall constitute Obligations secured hereby.

7. **Proceeds.** It is agreed that if an Event of Default shall occur and be continuing, then (a) all Proceeds received by Grantor consisting of cash, checks and other cash equivalents shall be held by Grantor in trust for Lender, segregated from other funds of Grantor, and shall, forthwith upon receipt by Grantor, be turned over to Lender in the exact form received by Grantor (duly endorsed by Grantor to Lender, if required), and (b) any and all such Proceeds received by Lender (whether from Grantor or otherwise) shall promptly be applied by Lender against the Obligations (whether matured or unmatured), such application to be in such order as set forth in the Loan Agreement.

8. **Remedies Upon Default.** Upon an Event of Default under and as defined in the Loan Agreement, Lender may pursue any or all of the following remedies, without any notice to Grantor except as required below:

(a) Lender may give written notice of default to Grantor, following which Grantor shall not dispose of, conceal, transfer, sell or encumber any of the Collateral (including, but not limited to, cash proceeds) without Lender's prior written consent, even if such disposition is otherwise permitted hereunder in the ordinary course of business. Any such disposition, concealment, transfer or sale after the giving of such notice shall constitute a wrongful conversion of the Collateral. Lender may obtain a temporary restraining order or other equitable relief to enforce Grantor's obligation to refrain from so impairing Lender's Collateral.

(b) Lender may take possession of any or all of the Collateral. Grantor hereby consents to Lender's entry into any of Grantor's premises to repossess Collateral, and specifically consents to Lender's forcible entry thereto as long as Lender causes no significant damage to the premises in the process of entry (frilling of locks, cutting of chains and the like do not in themselves cause "significant" damage for the purposes hereof) and provided that Lender accomplishes such entry without a breach of the peace.

(c) Lender may dispose of the Collateral at private or public sale. Any required notice of sale shall be deemed commercially reasonable if given at least ten (10) days prior to sale. Lender may adjourn any public or private sale to a different time or place without notice or publication of such adjournment, and may adjourn any sale either before or after offers are received. The Collateral may be sold in such lots as Lender may elect, in its sole discretion. Lender may take such action as it may deem necessary to repair, protect, or maintain the Collateral pending its disposition.

(d) Lender may exercise its lien upon and right of setoff against any monies, items, credits, deposits or instruments that Lender may have in its possession and that belong to Grantor or to any other person or entity liable for the payment of any or all of the Obligations.

(e) Lender may exercise any right that it may have under any other document

evidencing or securing the Obligations or otherwise available to Lender at law or equity

9. Limitation on Duties Regarding Preservation of Collateral. Lender's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as Lender would deal with similar property for its own account. Neither Lender nor any of its partners, directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Grantor or otherwise.

10. Powers Coupled with an Interest. All authorizations and agencies herein contained with respect to the Collateral are irrevocable and powers coupled with an interest.

11. Severability. Any provision of this Security Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

2. Section Headings. The section headings used in this Security Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

13. No Waiver; Cumulative Remedies. Lender shall not by any act (except by a written instrument pursuant to Section 14 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by Lender of any right or remedy hereunder on any occasion shall not be construed as a bar to any right or remedy which Lender would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any rights or remedies provided by law.

14. Waivers and Amendments; Successors and Assigns. None of the terms or provisions of this Security Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by Grantor and Lender, provided that any provision of this Security Agreement may be waived by Lender in a written letter or agreement executed by Lender or by facsimile transmission from Lender. This Security Agreement shall be binding upon the successors and assigns of Grantor and shall inure to the benefit of Lender and its successors and assigns.
